## **PRIVATE & CONFIDENTIAL**

This document shall remain the property of JRP & Co. Further the contents of this document are confidential and therefore should not be passed on to any third party nor shall it be published or reproduced in any manner.

Being an elite chartered accountancy firm, JRP & Co has been providing industry expertise to numerous businesses across multiple sectors.

In July 2017, the firm pioneered its operations in GST with an aim to provide comprehensive GST Advisory & Compliance services to its clients. The firm has also been committed to offer wide array of services spanning from accounting, auditing, assurance, financial advisory and business set-up advisory.

## FIRM'S PHILOSOPHY

- To provide high quality professional services to clients with commitment of the highest standards of ethics and integrity.
- We believe that “people come first”. This includes clients, contacts, staff and all stakeholders.

## MISSION STATEMENT

To be one of India's leading Chartered Accountancy firm and to provide maximum value to its clients

## **CA Jaimin Pandit (CA, B.Com)**

CA Jaimin Pandit is the founding partner of JRP & Co. He brings with him an extensive experience in engaging with global regulators on business and regulatory issues, strategizing and advising clients on how to effectively administer commercially successful businesses. He is spearheading the Auditing & Taxation vertical, outsourcing service-line and business development of the firm. Mr. Pandit has several years of practical exposure in Indirect taxation as well, including GST & UAE VAT Implementation, while he was associated with Ernst & Young LLP. He has worked with companies across various sectors such as Real Estate Sector, Exports, NBFC and Pharmaceutical industry.
